A Place to Thrive.**

Dear Parents and Carers,

I cannot believe that we have only been back at school for 3 weeks! The children have settled quickly into their new classes and are enjoying working on their new projects. There is such a lovely buzz of activity in each class!

Next week, preparations will begin in school for our Harvest services. Further details of these, along with a list of goods that we will be collecting for the Colchester Foodbank, will be emailed to you on Monday.

Wishing you all a restful weekend.

Kind regards
Katie Welsh

Chestnut News

This week in Chestnut Class, we have been continuing our computing work investigating digital devices. We have been learning about how digital devices work and what it means by input, process and output. This week, we had to look at certain parts of a digital device and decide whether they were part of the input, process or output. Next week, we will get to design our own digital devices!

Willow Class

This week Willow class have begun learning their phonics. We have practised the sounds "S" "A" "T" "P" and we have been identifying these initial sounds by matching different objects to the sounds they start with.

Due to staff training, the office will not be open from 9.30-12.00 on Tuesday 26th, Wednesday 27th and Thursday 28th September 2023.

Please feel free to leave a message or send an email, which will be dealt with during the afternoon.

Please return your Owl Photographs in a sealed envelope with the correct Monday by Friday 29th September 2023.
