Dear Parents and Carers,

This week has been our first full week since we joined the Life Education Trust. Yesterday, Mr Julian Dutnall (CEO) came to visit us and gave a special assembly to officially welcome us as part of the Life family of schools. We very much look forward to working alongside other schools like ours within the Trust to enrich and enhance the children's education.

After school today, and into next week, we will be hosting the Travelling Book Fair in the school hall. Please remember that this year, since we are a cashless school, payment can only be accepted electronically. We hope that you will pop along to support us in earning commission for our school.

Kind regards
Katie Welsh
Head of School

Remembrance Service

Thank you to all the parents, friends and relatives for joining us for this morning's Remembrance Service. The children helped to remind us all what an important time of year this is and how we can all honour those who have served our country through this term's key concepts of value and influence. Thank you also, to those children who have bought items from the Royal British Legion box.

Cross Country

On Tuesday morning, selected children in KS2 took part in a cross-country event at the Northern Gateway sports track. Mr Rippingale, who accompanied the children was very impressed with their resilience and determination to get around the course. We competed against schools from across Colchester and every runner gave their all with our highest individual finish being in the top 20! The sun was shining, and the children had a great morning. A big well done to the children for representing Holy Trinity and a big thank you to the parents who took them and returned them to school. Thanks also goes to St Marys school for their helpers and the SGO for organising a great event.
